Thirteen Miners Imprisoned by Rising Waters.

ALL SUPPOSED TO HAVE PERISHED.

DENIER, Aug. 30 .- News was regened last evening from Central City to the effect that 13 men employed in the truth is that you can trust a jury to and Central City, lost their lives by an secure protection to the public by the overflow of water.

The men at work were on the night shift. The theory advanced at this writing seems to be that they were drilling a hole when the body of water came rashing in on them. There were we forget that tardy justice is often fall campaign for the elections to the putting too drainage board.

first signal of disaster, and soon the shall building of the Sleepy Hollow mine was crowded with the families of Deputy Sheriff W. W. Williams final-

was cleared and practical miners offered their services in lowering the bucket The farthest depth attained was 330 feet, the accumulated gas forced up by the rising water being such that a candle would not burn at a greater depth. A second effort was made, a larger sized safety lamp having been placed in the bucket. The rescuer who first descended in the bucket, Mr. H. Prisk, was found at the 330-feet level. On reaching the surface he was almost

in an insensible condition. Other volunteers went down afterward but were not successful in reaching a lower point in the shaft owing to the rising of the water. Extra water buckets were sent for and brought to the mine, which are now working with a view of lowering the water. The managers of the property were on the ground and were very assiduous in their efforts to relieve the men. The two in the Americus mine are without doubt dead. Those in the Sleepy Hollow, unless they can be found in some of the slopes, have met death in a simi-

Ever since the closing down of the pumps in the incline shaft of the new Gregory Mining company the waters in that shaft have been gradually rising, the owners of the Fisk mine having been driven out of the lower to the upper workings. This was due to the inability of the Fisk and Sleepy Hollow to agree upon a plan to prorate the

nese Waters. WASHINGTON, Aug. 30,-While pleased with the turn that our diplomatic relations in China have taken, and satisfied with the present representation of our navy in the waters of that country, the navy authorities are still looking forward with eager interest to the completion of three light draft gunboats now in process of construction at Newport News, Va. These vessels are designed especially for the Chinese service and are expected to be of great value in coast navigation and in ascending the

Sept. 15 has been set as the date for their launching, and Assistant Secretary McAdoo expresses the opinion that they will be ready by that time. After they are nunched from six to nine months will clapse before they will be

completed. Wallace Not & Candidate.

CRAWFORDSVILLE, Ind., Aug. 80.-General Law Wallaco has declared very emphatically that he is not a candidate for the position of congressional librarian and would not accept the place under any consideration. General Wallace also said that the old library as it now stands is a hothed of disease and pestilence. Speaking of Mr. Spofford, certainly be retained. His removal be-

fore would be a calamity. Spofford's Accounts Forwarded. WASHINGTON, Aug. 30.-Librarian of Congress Spofford vesterday forwarded to the treasury department a statement of his accounts covering a period of several years. The report specifies moneys received and disbursed for library and copyright purposes up to Aug. I last. The figures will not be given out pending the action of the department on the

lake Levels as Affected by Chicago Canal. Washington, Aug. 30.-As a result of the recommendations of the Chicago drainage canal board the engineer corps of the war department will make obtervations and take measurements so as to determine the probable effect of the operation of the proposed canal

mon the level of the great lakes. Advance In English Iron. BROWNGHAM, England, Aug. 30.-Iron and steel merchants have agreed to raise the price of hoops, bars, strips and angles 5 shillings per ton, prices ranging from £6 and 10 shillings. Sheet fron has also been raised 5 shillings, making an increase in price of £1 since

The Only Remedy in the World that Refunds Purchase Price if it Fails to Cure the Tobacco Habit in 4 to 10 Days is

It Cures While You Continue the Use of Tobacco.

The greatest discovery of the age! A certain, pleasant, permanent cure. Melime's suffering ended for

Why smoke and suit your life away? Why suffer from dyspepsis, heartburn, and drains on your vital forces? Stop using tobacco, but stop the right way! Drive the nicotine from your system by the use of this wonderful regirdy. NARCOTI-CURE is warranted to re-

move all desire for tobacco in every form, including Cigar, Cigarette and Pape Smoking, Chewing and Snutt Taking. I've all the tobacco you want while

in ter treatment, and in from four to ten days your "hunkering" and 'craving" will disappear-the weed won't taste good. Then throw away tobacco forever.

NARCOTI-CURE is entirely vegetable

and free from injurious ingredients. t never falls to give tone and new gor to the weakest constitution. Remember NARCOTI-Cune doesn't deprive you of tobacco while effecting a cure; doesn't ask you to buy several bottles to be entitled to a guarantee;

doesn't require a month's treatment;

and, finally, doesn't enable you to stop obacco only to find yourself a slave to the habit of tablet chewing. With NARCOTI-CURE, when you are through with tobacco, you are through with the remedy. One bottle cures.

Send for book of prominent testi monies like the following: HUNTINGTON, MASS., March 18, 1865 THE NORCOTI CHEMICAL CO.

Springfield, Mass

Gentlemen:—I have used tobacco for Gentlement—I have used tobacco for over twenty-five years, chewing and smoking every day from 7a m. to 9 p.m., stopping only for reals.

On Monday, February 4—I called at your office in Springheld, and bought a bottle of the Curr which I used as directed, and on the tenth day the destre for tobacco had left me and it has not returned. I did not less a meal while taking the Curr My appetite has improved and I consider NARCOTICERE a grand thing.

Very respectfully.

Chas. I. Lincoln.

Mr. Frank H. Morton, of Chicopes Falls, Mass, late Inspector of Public Buildings for Mussachusetts, says: I used tobacco for twenty five years

and was a confirmed smoker in just eight days' treatment with Narcott-Curg I was through with tobacco, in fact the desire for tobacco vanished like a dream.

Very respectfully.

FRANK H. MORTON.

If your druggist is unable to give full particulars about NARCOTI-CURE, send to us for Book of Particulars free, or send \$5.00 for bottle by

SOCIAL PURITY

Dis.ussed from the Standpoint of

the W. C. T. U. The subject for the article under the auspices of the W. C. T. , was to be "social purity" contuned. The last thing discussed in the last article was the necessity of mother's meetings and what was ac-

omplished by them.

When our sons are fully grown in helf youth the sous of America Who have more chances of success than of any other on the globe with christian influences, numinalty at least, surrounding them they should be the reest and purest of all the centuries: they should have such characters that are self reliant and of self controi that they will need not the support of alcohol and tobacco but have a healthy excitment of doing something important and of being something in the world. The young women of America with equal opportunities with her brothers or

over should also have such a high standard of right living that they would not receive that attention of any young man whose habits were not as pure as her own and that did not have correct ideas of true manhood and womanhood. The W. C. T. U. organization seems to be the H. Hale, the Connecticut fruit prower, women to adopt the best methods of is a judicious thinning of it. I believe iffe and work which will advance the cause of personal and public purity. As an organization they can congratulate themselves upon the ground already gained, and bravely

facing the next step which

lies before them in legislative work,

is well as evangelistic, and they have

surmount they are gradually nearing ples are in the hands of an off man.

Thinning constantly would bring it into the top. Should all mothers and sisters join us in this reformatory effort in a single generation to abolish from the earth the last stain of social iniquity and impurity, and having it deeply scated in their minds that the sins of man is just as heinous in God's sight as that of woman, and that God knows no sex, and that the same standard of purity should be required of the sons as the daughters, what a revolution in society there would be in the coming gener-

cast goes to ruin step by step. Many have been. of them from homes of luxury, but have been taught loosely on purity lines, the ladder they descended has but very few rounds, and they are made up of evil associates, impure thoughts, impure words, careless acts, sinful amusements, and then ruin and disgrace."
